Research & Research Paper

Research

□ What is research?

*Research is defined as the **creation of new knowledge** and/or the **use of existing knowledge** in a new and creative way so as to generate new concepts, methodologies and understandings. This could include **synthesis and analysis of previous research** to the extent that it leads to new and creative outcomes.*

Research

- What is research?
- Aim of Research?

An orange triangle is positioned on the right side of the slide. Inside the triangle, four light orange rounded rectangular boxes are stacked vertically, each containing a point about the aim of research.

New Knowledge/
Information

Finding Application

Verifying existing
knowledge

To improve the life
style

Research

- What is research?
- Aim of Research?
- What is important feature?

An orange scroll graphic with a black outline, featuring a rolled-up top edge and a small circular detail at the bottom left corner. The text "Quality Research" is written in white on the scroll.

Quality
Research

A decorative grid of dots, with a green dot at the bottom left.

Research Paper

A *paper* that outlines a *research* challenge, explains why it is important to solve, describes a new solution/answer, and provides some verifications.

Let's see some examples.....
